

School Bus Service for 2017- 2018

The Hawaii State Department of Education has contracted Roberts Hawaii School Bus to provide bus service for the Radford Complex, which consists of seven elementary schools, one middle, and Radford High School (RHS). A fixed number of buses serve the Radford Complex and this greatly affects after school bus service at RHS. At the end of the school day, the elementary school students are picked up first and taken home and then the buses return to RHS to pick up the high school students. This means that despite the fact that school has ended, RHS students will need to wait for their buses. On Tuesday, Wednesday, Thursday, and Friday, the buses begin to arrive around half an hour after school has ended. The exception to this is on Monday, as the students should be able to board buses at the end of the school day. The buses go to the elementary schools first, then the high school after the elementary school run. If you have any concerns, please refer to the numbers below.

Applications are available at the Radford High School main office and/or can be downloaded from a link on our school webpage (www.radfordhs.org). A separate application must be completed for *each* bus rider in your family.

Multiple family members attending different public schools must submit applications at the attending school.

If you are applying for free bus service, please complete a free lunch application at the same time. Only families qualifying for free lunch will qualify for free bus service. *Please read page (2) of the School Bus Handbook for clarification and eligibility.*

Please make sure to carefully read and understand the instructions in the school bus handbook.

RADFORD HIGH SCHOOL will be accepting and handling all payment for school bus service. After your payment has been received, and bus application approved, your child will receive a permanent bus pass within 5-7 working days. Temporary bus passes will be issued for riding the bus in the interim.

THE BUS COMPANY WILL BE ENFORCING A STRICT “NO PASS, NO RIDE” POLICY THIS SCHOOL YEAR. IT IS IMPORTANT THAT ALL PAYMENTS BE TURNED IN WITH THE APPLICATION TO EXPEDITE THE PROCESS.
